

The background is a vibrant orange and yellow landscape, possibly a desert or a planet's surface. A large, bright orange sun or planet dominates the upper right. In the upper left, a satellite or probe is visible in the dark sky, emitting a beam of light. In the foreground, two figures in dark, futuristic suits stand on a rocky, uneven terrain. The overall aesthetic is reminiscent of classic pulp magazine covers.

# THE CLEMENTINE PARADIGM

A SCIENCE FICTION  
MANIFESTO
